

## Cheers! Stanlake Park, the popular Berkshire vineyard

Stanlake Park Wine Estate near Twyford, Berkshire produces a range of more than 50 wines. As one of the leading vineyard and wineries in the UK it has a well-stocked Cellar Shop and small wine garden.

Membership of the BBO Food Group enabled Stanlake Park to take an active part in the Local Flavours Festival 2009 with popular tours and wine tastings.

Publicity in regional magazines and local media for the BBO-run Local Flavours Festival included features on Stanlake Park, raising public awareness of the high quality wine made in Berkshire.

Peter Dart, Stanlake Park owner comments: "The Local Flavours Festival was an excellent initiative and we fully supported it at Stanlake Park vineyard. We picked a specific weekend, which also marked the 30th anniversary of the vineyard's first vines.

"We sampled our full range of 13 different wines and also did local cheese sampling with Two Hoots' Barkham Blue and preserves and pickles from Susie's Preserves. We had a record number of people come to the Cellar Shop and it was a great success.

"The BBO Food Guide is very popular, complemented by the website which is increasingly the place where people get their information."
